## Competition Format and Rules

Format et règlement des compétitions

As of MON 15 JUL 2024

### Olympic Competition Format

The boxing tournament at the Olympic Games Paris 2024 is organised as a direct elimination competition with seven men's and six women's events.

Men's events	Number of boxers	Women's events	Number of boxers
51kg	16	50kg	22
57kg	18	54kg	22
63.5kg	20	57kg	22
71kg	20	60kg	22
80kg	18	66kg	20
92kg	16	75kg	16
+92kg	16		

### Men's and women's competition

Boxers compete in three round bouts, each lasting three minutes, with a one-minute rest period between the rounds.

Eight boxers are seeded and the remaining boxers are randomly drawn. The losers are automatically eliminated and the winners progress through the following phases until two boxers are left to box for the gold medal bout. The winner is awarded the gold medal and the loser, the silver medal. Two bronze medals are awarded to the losers of the semifinals.

Only one boxer per event per NOC is permitted.

### Changes since the Olympic Games Tokyo 2020

There are seven men's events instead of eight, and six women's events instead of five.

### Sport Rules and Procedures

#### Gloves, bandages, headguards, gumshields (teeth protectors)

Boxers at Paris 2024 must abide by the following boxing glove regulations:

Men:

- 10-ounce (284 grams) gloves must be used from 51kg to 63.5kg categories
- 12-ounce (340 grams) gloves must be used from 71kg to +92kg categories

Women:

- 10-ounce gloves must be used in all events

Boxers must wear gumshields and professional handwraps (bandages). Headguards are used only for women.

#### Medical examination and weigh-in

On each day of competition there is a morning medical examination and weigh-in of all boxers competing on that day.

Each boxer is also given a post bout medical examination immediately after their bout.

## Competition Format and Rules

Format et règlement des compétitions

As of MON 15 JUL 2024

### Judging and scoring format

The scoring system will be based on a "10 point must system". The five judges for each bout will be allocated in a position around the ring in accordance with the electronic draw. At the end of each round, each judge must determine the winning boxer of that round by awarding a score of 10 points and by awarding nine or less points - down to seven - to the losing boxer, depending on the judgment as to the degree to which the opponent lost the round. Every round must have a declared winner. The scores of all five judges will be counted in determining the winning boxer.

Possible decisions for the win will be as follows: ABD - abandon, BDSQ - double disqualification, DKO - double knockout, DSQ - disqualification, KO - knockout, RSC - referee stops contest, RSC-I - referee stops contest - injury, WO - walkover and WP - win on points.

### Tie break rules

If the total scores awarded by each judge, including any deduction, are equal at the end of the bout, the judge(s) with equal scores are requested to nominate which boxer is the winner of the bout in their opinion in the following cases:

- One judge has even scores, and the total scores of the other four judges are evenly split, or
- Two judges have even scores and the other three judges do not score unanimously, or
- Three or more judges have even scores.

### Fouls

If a boxer receives a referee's warning, the deputy IF delegate will record the warning in the scoring system and each warning will reduce the total score of the offending boxer by one point per judge. The third warning in a bout will automatically disqualify the boxer.

The most typical types of fouls that are sanctioned are: holding, improper hitting, wrestling, and ducking.

## Sport Terminology

Terminologie du sport  
As of MON 15 JUL 2024

Term	Definition
Apron	The section of a boxing ring canvas, on the floor, that extends outside of the ring ropes.
Bell	A type of gong used to signal the start and end of each round.
Below the Belt	A punch that strays low, below the waistband of a boxer's trunks.
Break	This is a command used by a boxing referee to stop the action and separate the boxers.
Canvas	The general term for the ring flooring, although it may not be entirely made from this material.
Clinch	A term used to describe when two fighters grab onto or hold each other to prevent an exchange or to slow the action.
Combination	This is any series of punches thrown in succession, one right after the other, with no break in between.
Counterpunch	This is any punch that is thrown in return or comes back as a response to an offensive move by the adversary.
Cross	A power punch thrown with the rear hand and travels across the boxer's body.
Cut Technician	The individual in the corner who is responsible for controlling any cuts, abrasions, or swelling that could negatively impact a fighter's ability to perform or continue to box.
Eight Count	When one fighter is knocked down or in trouble of being stopped, a referee can administer a count of eight to give the boxer time to recover or so that he can better assess the situation.
Foul	To break one of boxing's rules, which can ultimately lead to point deductions if they are repeated.
Hand Wraps	In order to protect their fists in training and competition, boxers wrap their hands in tape and gauze that have specifically been designed for boxing.
Hook	This punch is thrown with the lead or front hand and is delivered in a semi-circular pattern. The hook is executed by leading with your front hand, bringing your elbow up and rotating the front side of your body. It is meant to reach beyond your opponent's guard and make contact with the side of the opponent's head or chin.
Infighting	This is also called "inside fighting" or exchanging punches at close-range.

## Sport Terminology

Terminologie du sport

As of MON 15 JUL 2024

Term	Definition
Jab	The jab is a punch that is thrown with your front hand and delivered straight at your opponent. It is usually centrepiece of any boxing offense, and also used as a defensive weapon.
Knockdown	When an opponent is struck and falls to the ring floor or when his glove or knee touches the canvas after being hit.
Mouth Guard	A piece of protective equipment that is constructed of a dense rubber material, molded to a fighter's mouth to protect his teeth, gums and jaw from injury. Also called mouthpiece.
Neutral Corner	Each of the two fighters are assigned a red or blue corner. Two white corners of the ring are remaining and are considered "neutral territory". Neither fighter's cornermen are stationed there so it is where a fighter is sent if he knocks his or her opponent down. They remain there while a count is administered by the referee.
Orthodox	A right-handed fighter or one who leads with a left jab and uses his back, or right hand, as his cross.
Overhand	A punch that is delivered in an arching motion, traveling downward on the opponent.
Point Deduction	A point is taken away from a fighter when a blatant foul or rule infraction occurs. It can also happen after several cautions have been issued, such as in a case of unintentional, but repeated low blows.
Pugilist	A historical term originated from the Latin word "pugil" which means a fist-fighter or boxer.
Ringside	A position in the front row or right next to the boxing ring is considered "ringside".
Second	A second is a coach or a trainer assisting the boxer during a bout.
Shifting	An offensive technique where you change your lead foot, shifting your weight to gain more power. A change from orthodox to southpaw, or vice-versa, as you deliver a punch.
Shoulder Roll	This is a defensive move where a fighter leaves his front arm low and drapes it across his midsection so that when his opponent throws a punch he can use his shoulder to block or roll with it.
Slip	When you move your head to avoid getting hit.
Southpaw	Common term for a left-handed fighter or someone who uses the left arm as the dominant, as opposed to an orthodox fighter.

## Sport Terminology

Terminologie du sport

As of MON 15 JUL 2024

Term	Definition
Sparring Partner	This is a term used to describe another boxer that a boxer trains with and practices against, in order to prepare for a "real" bout.
Throw in the Towel	When a boxer's corner tosses a towel into the ring in order to stop the bout. It is usually due to their boxer taking too much punishment and is symbolic of abandoning the bout.
Toe-to-Toe	When two boxers do not back down, stand directly in front of each other and exchange punches.
Uppercut	A punch thrown in an upward fashion, up the middle of a fighter's guard, intended to make impact on the point of his chin. This can be thrown with either hand.
Warning	Given by the Referee to a boxer who commits a serious foul. A boxer receiving a warning will have one point deducted from each judges' total score. Three warnings in a bout lead to disqualification.

**Item: 2**

**Removal of LETA (ETH) from Official Draw**

**Summary:**

Upon the scheduled conclusion of the Boxing Entry Check for the Olympic Games Paris 2024, at 15:00 of 24 July 2024, Team Ethiopia has failed to present the relevant documentation regarding the participation of boxer Fikremariam Yadesa Leta in the competition and, therefore, the boxer is ineligible to participate in the competition. This decision follows section 3.2 of the Paris 2024 Boxing Unit Event Regulations.

Consequently, Mr. Leta will not be included in the Official Draw for the Men's 57kg event.

With this, the Men's 57kg event will have the participation of 17 boxers, as opposed to 18 athletes, thus reducing the number of bouts in this event by 1. Therefore Session 03 will no longer contain the Men's 57kg event.

### Quota Reallocation

#### Summary:

On 24 July 2024, the Paris 2024 Boxing Unit has been officially communicated by the International Testing Agency (ITA) that the provisional suspension imposed by the ITA on Turkish boxer Tuğrulhan Erdemir was upheld by the Anti-Doping Division of the Court of Arbitration for Sport (CAS ADD).

CAS ADD issued an order confirming and maintaining the provisional suspension imposed on Tuğrulhan Erdemir which also extends to the Olympic Games Paris 2024.

As a consequence, the PBU has withdrawn the Olympic quota place previously allocated to Mr. Erdemir, and has subsequently reallocated the quota to Mr. Magomed Schachidov, from Germany. This reallocation follows the procedures defined on Section F of the Paris 2024 Boxing Qualification System.

Prior to the conclusion of the Boxing Entry Check, Team Germany presented all relative documentation regarding Mr. Schachidov's participation in the competition and, therefore, the boxer is eligible to, and will be, included in the Official Draw for the Men's 71kg event.
